

# 3M™ Peltor™ H10 Series - Extreme Performance (Class 5)

The H10 Series is a high performance hearing protector and has been developed for use in extremely noisy environments. The protection is based on a technology with a double casing minimising resonance in the casing giving optimum low-frequency attenuation. An acoustic connection between the inner and outer casings provide maximum low-frequency attenuation. The sealing rings are broad and filled with liquid and foam for the best fit and low contact pressure. The H10 Series stands for effective protection and highest comfort for the wearer. This product is also available in neon yellow for workers who need hearing protection to be extra visible – on road construction sites, airports or other high-risk workplaces.

## Features and Benefits:

### Comfortable

- Generous inside depth helps the ears to rest comfortably
- Broad sealing rings
- Sealing rings filled with liquid and foam filling for the best fit and low contact pressure

### Effective

- Very high attenuation
- Unique band design, stainless steel wire for constant pressure over long periods of use
- Double casing that minimises resonance and provides maximum low-frequency attenuation

### Versatile

- Various versions available to fit any situation: foldable, neckband, high visibility, helmet mounted versions

### H10 Series Headband

Description	H10 Series Headband
Product Code	H10A
SLC <sub>80</sub>	33dB (Class 5)

### H10 Series Neckband

No headband for complete compatibility with other head worn PPE equipment. SLC<sub>80</sub>: 34dB (Class 5)

Description	H10 Series Neckband
Product Code	H10B

### H10 Series Hi-Viz Headband

For workers in need of extra visibility, for example road workers and ground handling staff at airports. SLC<sub>80</sub>: 33dB (Class 5)

Description	H10 Series Hi-Viz Headband
Product Code	H10A HV

### H10 Series Helmet Attachment

Various versions for different safety helmets. (See page 14) SLC<sub>80</sub>: 33dB (Class 5)

Product Code	H10P3E, H10P3G or H10P3M
--------------	--------------------------

### Hygiene Kit

Description	H10 Model Kit
Product Code	HY10
